

ERNA Junior Representative Program

The purpose of the ERNA Junior Representative Program is to provide a training environment for junior players to access quality development opportunities. This program is a pathway to future representative opportunities in netball.

The program develops:

- Netball skills
- On court decision making
- Netball specific fitness
- Knowledge and understanding of the requirements of representation
- Game specific strategies and tactics

This is a holistic program that also includes opportunities for players to:

- Understand the responsibilities and commitment of a representative program
- Compete against other associations at representative carnivals
- Develop in all areas of netball

Nominations

Nominations will be called for during the netball season via clubs and ERNA Facebook. Players that are interested and eligible for the program should nominate for the trials. Access to the nominations for the trials is via the ERNA website or ERNA Facebook. Nominations for the trials open July 25, 2022 and close on August 17, 2022 at 5:00pm
